WHAT: Twenty Four Hour Lane Closure on Interstate 5 in Siskiyou County

The California Department of Transportation has installed a permanent lane closure in the slow lane of the northern most section of Interstate 5 in California. Due to an equipment malfunction, the contractor will not be able to deliver new asphalt concrete to a section of the Interstate that has been removed for rehabilitation. The lane closure will be in effect 24 hours a day until Monday, September 30, 2002.

Motorists are advised to drive with caution, observing the posted speed limit.

WHEN: Thursday September 26 – Monday September 30, 2002

WHERE: Interstate 5, Siskiyou County, from 1.5 miles south of Hilt to the Oregon State line. Northbound lanes only are affected.
